Luzerne County Head Start, Inc.

Building Strong Families Since 1965

We at Luzerne County Head Start, Inc. are aware that Pennsylvania, and specifically residents of Luzerne and Wyoming Counties, are struggling with the effects of the opioid and other substance use disorder crisis. Everyone has been affected in some way by this tragic national epidemic. In an effort to assist our families, we are offering the following information on resources and safe places and appropriate agencies to help those who have been touched by this crisis:
